Project Description/Justification:

The purpose of this authorization is to allow AHFC to apply for HUD, other federal agency, and private foundation grants that target the housing needs of low-income and special needs groups who live in public and/or assisted housing.

Program Description:

AHFC will apply for grants and utilize those grant funds to target services to families and persons who are eligible for public and/or assisted housing. Grant funds within this category may be used to prevent and reduce crime and substance abuse in public housing and to aid Public Housing Authority (PHA) assisted families to attain economic self-sufficiency. When required as a condition of funding, matching funds will be provided for grants. Examples of previous grantors include the Robert Wood Johnson Foundation, the Dept. of Education, U.S. Dept. of Housing and Urban Development, and the U.S. Dept. of Health and Human Services.

Federal (HUD) and state match grant funds will allow AHFC to apply for grants that target the housing needs of low income and special needs groups such as: senior citizens, persons with disabilities or the homeless. AHFC will also apply for energy-related grants as they relate to housing. When required, matching funds will be provided. Some of the grant funds received will be passed through to local nonprofit sub-grantee organizations that deliver housing and/or services.

This project also enables AHFC to receive additional housing assistance from HUD in the form of Section 8 vouchers. Some of the funds received may be passed through to local non-profits or government agencies to deliver the appropriate services throughout the state.

The projected outcomes are:

- 1) Match requirements for federal grants such as:
 - Family Self-Sufficiency (FSS) Coordinator;
 - Jobs Plus Initiative Grants Program;
 - Elderly/Disabled Service Coordinator Program;
 - Youth Homelessness Demonstration Program; or
 - Resident Opportunities and Supportive Services (ROSS) Service Coordinator.
- 2) Provision of services through grants and contracts with non-profit agencies that will fulfill educational and economic improvement needs of low-income housing clients and their families
